

## **ALPHANUMERIC PROJECT AND GRANT NUMBERS AVAILABLE**

In order to allow agencies to use alphanumeric project and grant numbers, the following RSTARS Profiles have been modified:

- D42 Project Number Profile
- D47 Grant Number Profile

In addition, RSTARS 27 Project Control Profile and the RSTARS 29 Grant Control Profile have been modified to accept those values from the D42 Project Number Profile and the D47 Grant Number Profiles.

Interfacing agencies are reminded to submit new test files to MAIN FACS prior to using alphanumeric projects and grants on their interfaces.

This change will be effective Tuesday, July 23, 1996.
